

ENNEAGRAM ESSENTIALS

WORKSHOP TAILORED TO YOUR NEEDS

UNLOCK THE POWER OF THE ENNEAGRAM!

Join an immersive experience designed to introduce the Enneagram framework through themes that matter most to you—whether for schools, parenting, the workplace, or therapeutic settings. Led by Enneagram practitioner Chrystal Hamilton Dorelien, trained by the Narrative Enneagram, this workshop provides foundational insights and practical tools to help you grow and thrive.

Discover How the Enneagram Can Transform:

- **Therapeutic Practice:** Deepen understanding of client patterns, strengthen therapeutic alliances, and enrich your professional toolkit.
- **Workplace:** Build stronger teams, improve communication, and increase workplace satisfaction.
- **Education:** Enhance classroom dynamics, foster empathy among students, and improve teacher-student relationships.
- **Parenting:** Understand your motivations in parenting, building stronger, more mindful relationships with your children.
